## Distribution of the cattle livestock existent on June 1, by development regions

[Chart data in \(xls\) format](#)

By analysing the cattle livestock distribution by development regions on June 1, 2016 compared to June 1, 2015, it is noticed that their share maintained approximately constant, with slight increases in the North-East (+0.3 percentage points) and Center (+0.1pp.) regions and with slight decreases in the South-West Oltenia (-0.2pp.), South-East (-0.1pp.) and North-West (-0.1pp.).

### Additional information:

For the correct interpretation of the indicators, kindly see the [Methodological Notes](#) attached to the press release on the homepage.

The next issue of the press release will be in September 2017.
