### Additional information:

- ✓ Turnover represents the total revenue recorded by the enterprise during the reference period; both from its core business and its secondary activities. Turnover does not include VAT and income from the sale or transfer of fixed assets.
- ✓ Turnover value indices are Laspeyres-type indices and they measure its evolution on total, by sections, by CANE Rev.2 divisions, as well as by large industrial groups.

For the correct interpretation of the indicators, please see the [Methodological Notes attached to the press release on the homepage](#).

For more information, see the INS TEMPO online database (the data for August 2019 will be available on October 16, 2019) and the statistical publications: Industry Statistical Bulletin (date of issue October 18, 2019) and Monthly Statistical Bulletin (date of issue October 24, 2019).

The next issue of the press release will be on Tuesday, November 12, 2019.
